2021 Annual Report

Scripture: Psalm 32:10 “Commit your way to the Lord, trust in Him and He will Act”

Name of Organization: Christian Education

Purpose: Christian Education is the directing of the process of human development toward Gods’ objectives for man. It’s the godliness of character and action. It bends it’s efforts to the end, that the man of God may be perfect, thoroughly furnished into all good works. 2nd Timothy.

Activities for 2021: In spite of the pandemic, the board of Christian Education with the help of some of the “young people” put together a wonderful, “New Years Eve Night Watch Service” that included the Faith Baptist Church of Baltimore. Most of our regular activities were canceled and rescheduled for 2022, due to COVID 19. However, there were many virtual conferences and leadership schools offered throughout 2021, that four members of the congregation attended.

Plans for the New Year 2022:

This year we are looking forward to having at least two, “Leadership Schools” in person or virtual, if this is Gods’ will. We also look forward

to having Vacation Bible School for all ages, this will allow us to use the curriculum bought for 2021.

Comments/Recommendations: This year as director of Christian education, I would like to recommend that all ministry leaders and members take advantage of some of the virtual workshops dealing with mental illness and child abuse. I believe this will give us more knowledge in who, when, what, and how to minister to those who are facing these problems.
