Completed Projects and Accomplishments for 2020: Attended the June NBC. Coordinated the praise and worship service, with the help of our Youth and Young Adult Ministry; and coordinated the Night Watch Service for the Church.

Incomplete Projects from 2020: Due to the COVID pandemic, all other projects were canceled.

Plans for the New Year 2021: To train two younger members for the positions of Director for Christian Education and Sunday School Superintendent. I will also find ways to get the rest of the members interested in future biblical studies and workshops.

Comments/Recommendations: Due to the length of most virtual classes offer by our congress, most members are not willing to sit for long periods of time. I will still try to find creative ways to encourage our members to take part in more biblical workshops and activities that will interest members.
