**2020 Annual Report**

**List plans for the new year:**

Continue to have monthly meetings via Zoom until further notice

Annual Missionary Emphasis Sunday to be held 2022

Encourage members to attend monthly State Women's Auxiliary Meeting via Zoom or inhouse

Continue to give Christmas Cheer to sick and shut in members

Missionaries have been available to assist in Saturday Outreach

We as missionaries will be able to go when and where as needed

**Comments/Recommendations:**

Financial assistance was terminated in 2020

When able we will resume and persons who need assistance, should contact our church office, and fax information to church. If unable to fax, information can be sent to our church for consideration. Then information will be given to appropriate person(s).

The procedure is one time per year at \$200.

Since 2020 it has been very different, but we have been available and maintained sending cards, making calls, distributing food and etc to needed persons. We look forward to continuing the work of the Missionary Ministry in 2022.

Our Maryland Baptist Aged Home had a need for blankets and comforters, and some of us stepped up to the plate and gave out of pocket.

We will continue to assist when needed, when FBC funds are not available.
