Completed projects:

Due to covid, we conducted a successful academic achievement recognition program on zoom.

Encouraged students to seek additional help when needed in their academic pursuits.

Shared training and scholarship information through emails and the weekly announcements

List Plans for the year:

To help individual students on a more personal level by providing application, scholarship and tutoring guidance.

To encourage our students to share the extra-curricular activities they are involved in and show our support.

Recommendations/Concerns:

We need church members to encourage their children to ask for tutoring or educational help as soon as they need it.
