Missionaries have been available to assist in Saturday Outreach

We support our Maryland Baptist Aged Home (MBAH) with our personal funds, it would be very nice to have funds available to make additional contributions and/or needed supplies.

Missionary Banquet (October) and/or Bible Breakfast (January) – we would like to obtain seed money to purchase tickets early. All funds will be reimbursed except honoree ticket and driver ticket (when needed)

Comments/Recommendations:

When persons need assistance, in the past, they were asked to contact our church office, and fax information to church. Then information will be given to appropriate person(s).

The procedure is one time per year at \$200.

We would love to continue to pray and revisit this. Funds have not been distributed since 2020 or so.

We have two (2) outstanding vouchers that were submitted with receipts by our treasurer but no church check was given for reimbursement. We should be notified when vouchers are not approved or funds are not available to close the loop.

2022 has been a great year, we have been available and maintained sending cards, making calls, distributing food and etc to needed persons. We appreciate each and every endeavor that is done and sacrifices that have been made for the work of this ministry. We look forward to 2023 to continue the work of the Missionary Ministry.
